

**ONTARIO GENERAL CONTRACTORS ASSOCIATION,
MARSH CANADA & PINCHIN ENVIRONMENTAL**

Present.....

WHAT'S BEHIND THE WALL?

Whether it is behind the wall, above the ceiling or below the floor, uncovering asbestos, mould or any other hazardous materials may now be your responsibility to manage.

Find out what steps you can take to reduce and manage environmental risk.

Find out what options are available to you to transfer environmental risk.

To find out the answers to these questions and many more, join us **Thursday May 8, 2008** for a straight talking session with two leading professionals in the environmental field.

Guest Speakers

George Boire is Senior Vice President and Environmental Practice Leader at Marsh Canada Limited, an international Risk Management consulting and insurance brokerage firm. Mr. Boire is responsible for developing and managing the provision of environmental risk solutions to clients across Canada

John Tufts is the Operations Manager for the Hazardous Materials Group in the Ottawa office at Pinchin Environmental Limited. Mr. Tufts has a diploma in Environmental Management from Niagara College and an Honours Bachelor of Science in Environmental Biology from the University of Guelph. He has over six years experience in the field of hazardous materials, consulting and managing multidisciplinary environmental projects across the country.
