

Course Description: *Building Code Compliance for Superintendents* - A vital tool to understanding the Ontario Building Code Act and regulations of the Ontario Building Code (with an emphasis on parts 1, 2 and, 3), as well as comprehending Code compliance fundamentals, including statute law in Ontario, permit and inspection process, roles and responsibilities for Code implementation, occupancy procedures, reports and records, this course is increasingly being used by industry professionals who are looking to grow within the construction industry. Participants of this CCA Gold Seal-approved course include current and future construction site supervisors and forepersons as well as architects, engineers, members of OCET/AATO, developers, building and fire department inspectors, plan reviewers, and other Building Code enforcement employees. You will require a copy of the Ontario Building Code 2006, this can be purchased through Orderline 1-888-361-0003

In addition, those participants who complete the course with an attendance record at, or above 80% receive certification of course completion.
