

UPDATE –

WATERLOO DISTRICT SCHOOL BOARD / CAMBRIDGE SOLUTIONS INC.

We are pleased to advise that after a strong response by OGCA members, we have had a very progressive discussion with representatives of the Board.

The OGCA will be meeting with the Board on May 7 to discuss ways to assist the Board.

Once again, to the main members who sent letters and emails to both the Board and the OGCA, thank you for your steadfast support.

When an owner is getting bad advice, we should not be afraid to bring our concerns forward in a constructive way which any “good” buyer of our services should respect.
