

WATERLOO REGIONAL DISTRICT SCHOOL BOARD UPDATE ON VENDOR LIST REGISTRATION

The OGCA and GVCA met yesterday with representatives of the school board to follow up on our previous discussion.

Martha George, my counterpart from GVCA, and I both agreed it was a positive meeting. A number of excellent suggestions were tabled. They confirmed that Cambridge Solutions had been instructed not to continue its recruiting program until the issues have been resolved. The Board has undertaken to consider the suggestions made and follow up with us shortly.

Until then, no firm is under any commitment to sign up through Cambridge Solutions.
