OGCA Announces Partnership with Construction Safety Solutions

Mississauga, ON, August 14, 2007:

The OGCA is pleased to announce the signing of a Memorandum of Understanding with Construction Safety Solutions.

The principal owner of Construction Safety Solutions is Dan Padden. Many OGCA members will remember Dan and recognize his long service to the industry through CSAO.

Dan had a career of almost 30 years at CSAO and during that time, established a relationship with OGCA that has lasted over 25 years. His history with OGCA goes back to the formation of our first safety committee and he has continued to participate in our programs throughout the years including our Safety Group.

Dan brings a great deal of knowledge and expertise about Construction Safety to the OGCA, and members will be able to contract directly with his company.

His services include;

- Customized H & S Seminars
- H & S Program Analysis/Evaluation
- H & S Program consultation, design and development
- Audit preparation
- Third party audits

All OGCA members will be entitled to a free initial consultation, after which, should they decide to avail themselves of Dan's expertise, they will have an exclusive OGCA member rate.

While providing valuable services to OGCA members, Dan will participate on the OGCA Safety Committee and will assist in representing us at other major safety committees and events.

We are particularly excited about the possibility of being represented at the Canadian Federation of Construction Safety Association's technical committee.

Dan will work with the OGCA to develop a series of Management Safety programs. He will contribute articles and news stories for our members and is a welcome addition to the OGCA Safety Team.

The Ontario General Contractors Association (OGCA) was established in 1939 to serve the needs of over 200 general contracting firms across the province. For over 65 years the OGCA has worked to build Ontario by assisting our members to deliver construction excellence in the Industrial, Commercial, and Institutional sectors. Members include small, medium and large firms representing both union and open-shop contractors.

If you wish further information, or would like to set up an interview, please contact Clive Thurston, President, OGCA at (905) 671-3969 or via email at clive@ogca.ca.
