

Construction Claims Management: This 30 hour Gold Seal accredited course is designed to enhance the ability of staff at all levels in the general contractor's organization to deal effectively with construction claims. Whether your challenge is to convince an owner of your entitlement to recovery of additional costs on a project, or to negotiate a claim for extra cost from a subcontractor, this course will provide you with the information required to achieve a successful outcome.

The course will be presented by Senior Consultants from Revay and Associates Limited, who have not only current expertise in the field of construction claims, but also extensive experience as general contractors.

Construction Claims Management

This 30 hour Gold Seal accredited course is designed to enhance the ability of staff at all levels in the general contractor's organization to deal effectively with construction claims. Whether your challenge is to convince an owner of your entitlement to recovery of additional costs on a project, or to negotiate a claim for extra cost from a subcontractor, this course will provide you with the information required to achieve a successful outcome.

Through a combination of lecture material and a series of hands-on workshops, course participants will:

- increase their awareness level of construction claims,
- be able to recognize claimable situations,
- develop familiarity with contractual rights and obligations,
- compile the necessary documentation to support a claim,
- understand the importance of scheduling as it relates to delay claims,
- develop the ability to properly quantify and present a claim, and
- explore techniques for effectively resolving disputes.

The course will be presented by Senior Consultants from Revay and Associates Limited, who have not only current expertise in the field of construction claims, but also extensive experience as general contractors.
