

Webinar Description: Managing workers' compensation issues is a daily challenge for employers and a significant source of additional costs. Complex on its own, the WSIB system is constantly changing and employers are often caught in unfamiliar territory. In this program, you will learn what you need to know to navigate the complicated and frustrating world of WSIB claims, costs, and appeals. You will learn strategies employers can use to manage WSIB claims and help reduce related costs.

Topics covered will include:

- Accident prevention and return to work programs
- Assessing your options in managing an active claim
- Dealing with uncooperative employees in the return to work process
- The review and appeal process – tips and tricks
